Actor Bio:

Danny Sparks was born in Long Beach on July 5, 1979 as an unexpected twin to his mother. Raised in the rugged streets of South Central, he was able to avoid the gangs and drugs that plagued his neighborhood. Not satisfied with a regular nine to five, this happily married father of 3 decided to set his sights on Hollywood. Always one for making jokes, an acting teacher encouraged him to try stand-up comedy in 2006. It was love at first mic. Danny has been hitting the stage hard ever since. He continues to be an unstoppable force amongst his peers in the comedy world. He is a regular at the Jon Lovitz Podcast Theatre and the Hollywood Improv.

In 2014, Danny enrolled in the Beverly Hills Playhouse and is actively pursuing his career on the screen.
