Actor Bio:

A versatile, studied actor with a natural comedic slant, David Boller is originally from a large family in the Chicago area. Having performed a wide range of dramatic character roles he is nonetheless most known for his comedy performance, including dark comedy, sit-com, and from sketch comedy to stand-up. David thrives on realistic, natural, and intelligent comedy while having an in-the-moment realism. As for craft, he is an avid student of Stephen Book's improvisational acting technique for scripted dialogue, but has also studied at South Coast Repertory, with Del Close in Chicago, at Ivanna Chubbuck Studios in Hollywood as well as having graduated from Second City Chicago ... amongst others.
