**Doris Carey**  
SAG-AFTRA

**Actor Bio:**

A proud member of SAG/AFTRA, Doris has worked on stage, independent film and major studio productions. It was an honor to work with great and kind actors, like Robert Duvall, Tom Selleck, John Travolta and Judd Nelson. On stage, she cherished the roles of Ruth from "A Raisin in the Sun" and the Lady in Red from "for colored girls who have considered suicide when the rainbow is enuf." A retired RN, she is as comfortable in medical settings as she is on a set. Doris graduated with a BSN from Murray State University in Kentucky. Doris enjoys writing poetry, swimming and spending time in nature. Growing up south Florida, she climbed trees, swam in the warm ocean and ran everywhere she went. She now calls the beautiful Hawaiian island of Oahu her home.
