Actor Bio:

Isaac Middleton started acting at the age of five in various church plays. Later he would go on the do various musicals and theater in both middle school and high school. More interested in singing than acting he strayed away from acting for many years. He would not return to acting until 2005, where he actively pursued acting, mostly background. Trying to find his way he started taking acting classes. Later, being

Isaac Middleton
SAG-AFTRA

encouraged to take it to the next level he decided to attend college for acting and production. Seeking to build his resume he done many acting jobs for students for free. unfortunately unable to obtain a copy of his work in the film for a reel he sought out other means. Looking to advance his career in acting this determined, dedicated, and driven actor seeks to be a working actor in this demanding industry.
