### Actor Bio:

Mary Elise Hayden was born in West Palm Beach, Florida. Her first intrigue with acting came at age 5 after seeing a live performance of WIZARD OF OZ in Tallahassee, FL, at Young Actors Theater, which had just begun elementary age acting/singing/dancing classes. She took these for 7 years. After auditioning and getting accepted at the Middle School of the Arts and, later, Alexander Dreyfoos High School of the Arts in West Palm Beach, FL, Mary continued her theater studies for another 6 years, often acting in local theater. Upon graduating, she attended The New York Film Academy in the fall for film production before moving to LA and beginning her acting career.
