Actor Bio:

Mykle McCoslin is funny, magical, sexy, and definitely a girl; don't let the name fool you. At the age of five, Mykle began her acting career performing for her relatives on the living room coffee table for 25 cents after her grandmother "Elvis," that's right, "Elvis," took her to see the movie "Grease," and the rest is history. Mykle has a degree in Theatre from the University of Southern California, and has been a working actor in Los Angeles, New York, Texas and Louisiana. An active member of SAG-AFTRA, Mykle currently serves as a Houston-Austin Local Board member, Co-Chair of the SAG-AFTRA Houston Conservatory, and a member of the National SAG-AFTRA Commercial Contracts Committee.
